<u>SAVE BIG:</u> BOGO, Multi-Event, Multi-Team, Canadian

BOGO (Excludes Nashville, expires December 1, 2024): Two road trip events

Applications and payment for both events must be submitted no later than 90 days before the 1st event, all BOGO applications must be submitted by December 1.

Enter two tournaments, both requiring a hotel stay for your entire team in a hotel selected from our website and booked through our hotel booking system. Each team must book a minimum of 15 rooms per night, (30 room nights total) per event to qualify. This does not mean that if you have a team of 18 distinct families, requiring 18 rooms that you only need to book 15 rooms and 3 families can book their rooms through other means. All 18 families must book their rooms through our hotel booking process. If any rooms are booked outside our hotel system the team will be subject to immediate removal from the tournament without refund.

If you are short rooms to qualify, you may add relatives or other guests in your party through our hotel reservation system. If you do not have enough players to qualify for a BOGO, do not choose this discount.

You will be charged full price for the higher priced event and a \$700 compliance fee <u>PLUS \$250 non-refundable</u> processing fee for a total up front cost of \$950 for your second tournament. At the conclusion of the first tournament, we will receive a hotel report indicating if your team met the 15 room/night minimum. If your team does not meet the requirement, you will be contacted and required to pay the full balance due for the second tournament.

At the conclusion of the second tournament we will receive a hotel report indicating if your team met the 15 room night minimum. If your team meets the requirement, you will receive a rebate check in the amount of \$700 sent to the address on your application 4-6 weeks following the tournament. If the second hotel report indicates your team did not meet the minimum requirement you will be required to pay the remainder of the full entry fee for the second event within 10 business days.

You must choose both events on your first application by choosing a second tournament in the "Discount Processing" section of your application. Your second tournament application will automatically be generated along with a team list and roster. If any information you've submitted changes prior to either event, please contact us immediately and we will help make the necessary changes.
